

**FOR IMMEDIATE RELEASE**

**VNUE, INC ANNOUNCES FIRST VENUE PARTNERSHIP**  
***Memphis' Minglewood Hall Signs On as a VNUE's First Accredited Partner***  
***to Offer Mobile Digital and Physical Recordings of Bands on the Night of Performance***

**(February 23<sup>rd</sup>, 2017 – Memphis, TN)** – Minglewood Hall, a state-of-the art live performance venue located in Memphis, TN, and VNUE, Inc. (OTC: VNUE) announced today that they have come together for the live music technology company's first official accredited venue partnership.

Through the partnership with Minglewood Hall, VNUE will produce live recordings in cooperation with artists who perform there and who elect to take part in the program. There is no cost to the bands; net revenue will be evenly shared between VNUE, Minglewood Hall, and the artist. Downloads of the live recordings will be made available to fans as they leave the show, before they even get to their cars, via the VNUE mobile app. Minglewood Hall is a modern 13,000 square foot facility with a capacity of 1600, as well as a smaller 400 capacity room.

This new live music merch opportunity will be available in the spring, when VNUE launches its new app platform. Through its strategic relationship with DiscLive, the pioneer in the space of "instant" recording, VNUE will also offers fans the chance to purchase that night's show on a limited edition CD set or USB drive they can take home that night.

Zach Bair, CEO of VNUE and president of DiscLive, said, "As a Memphian who is proud of the musical history of this city, I'm very excited that our first accredited venue is Minglewood Hall. We believe this will be a great partnership which will offer fans a unique experience – taking home what they just heard and saw – and that will provide additional found revenue to the artists as well as Minglewood. We also hope it will shine more light on the incredible Memphis music scene."

Trey DeHart, also of Memphis and owner of Minglewood Hall, said "This is an exciting opportunity to provide fans extra value for when they come to a show at our venue. This is a cutting edge concept, and fits into the general theme of Minglewood being ahead of the curve. In some instances, we may even offer the exclusive content bundled with tickets."

The VNUE app will be available on the Apple app store and Google play in spring 2017. Any limited edition CDs sets will go on sale in advance of shows that will be recorded, available by clicking through [www.minglewoodhall.com](http://www.minglewoodhall.com) or directly on [www.disclivenetwork.com](http://www.disclivenetwork.com). Since these are limited edition releases, once they are sold out, there will never be any more produced – so these will true collectors' items. In most cases, fans may reserve their copy to be picked up at the show, and anyone around the world can have it shipped home directly to them.

**About VNUE, Inc. ([www.vnue.com](http://www.vnue.com))**

VNUE, Inc., (OTC: VNUE) is a live entertainment music company, which brings artists and fans together by delivering professional quality audio and video recordings of live performances instantly to your mobile device. By streamlining the processes of curating, clearing, production, distribution & monetization, VNUE manages and simplifies the complexities of the music ecosystem while at the same time offering fans a once-in-a-lifetime experience by letting them take home what they just experienced. VNUE captures content through its unique Front of House mobile application and provides worldwide distribution and monetization through a suite of mobile, web, and administrative applications, allowing artists and labels to monetize their live performances with total control, innovation and transparency.
