

FOR IMMEDIATE RELEASE

SOULFUL SINGER-SONGWRITER MARC COHN TO RELEASE INSTANT LIVE RECORDINGS ON VNUE'S SET.FM

RECORDINGS OF TOUR BENEFITING GOD'S LOVE WE DELIVER BEGIN FEBRUARY 16

(February 14, 2018 - New York, NY) – VNUE, Inc. (OTC: VNUE) is partnering with Grammy-winning soul singer/songwriter Marc Cohn on his upcoming tour, recording each show beginning February 16 and making content available for download within 24 hours via VNUE's set.fm.

Cohn, who rose to fame with the smash hit "Walking in Memphis," recently celebrated the 25th anniversary of his platinum-selling self-titled debut with a special tour performing the album in its entirety from start to finish. With his 2018 tour, Cohn continues to dig into the treasure chest of his rich and evocative songs, with a focus on spontaneity and audience connection. No two performances are alike, and requests are always taken, making for an intimate grab bag of a set full of big hits, deep cuts and surprises.

A portion of each ticket sold for the tour, which begins February 14 at New York City's City Winery, will benefit God's Love We Deliver, the New York metropolitan area's leading provider of life-sustaining meals and nutrition counseling for people living with severe illnesses.

"Marc has long been regarded one of the most soulful and powerful performers in the music business, with a truly unique perspective on roots music - and of course, 'Walking in Memphis' has long held a special place in my heart as a resident of that great city," Zach Bair, CEO of VNUE and "instant music" pioneer DiscLive, said. "The fans who experience this live will surely want to relive this music forever, and with VNUE's set.fm, they'll be able to do just that."

"I've had so much fun digging into the vault of my past work throughout recent performances, and this upcoming tour will be no exception," Cohn said. "I want each show to have its own unique feel and setlist, so it's a natural fit for VNUE and set.fm to capture each one individually and let the fans live them over and over again."

Fans may pre-purchase the shows now by downloading the set.fm app from the Apple App Store or Google Play, or by visiting <https://set.fm/artists/marc-cohn>

About Marc Cohn (<http://www.marccohnmusic.com/>)

After winning a Grammy for his soulful ballad "Walking in Memphis," Marc Cohn solidified his place as one of this generation's most compelling singer/songwriters, combining the precision of a brilliant tunesmith with the passion of a great soul man. Rooted in the rich ground of American rhythm and blues, soul and gospel and possessed of a deft storyteller's pen, he weaves vivid, detailed, often drawn-from-life tales that evoke some of our most universal human feelings: love, hope, faith, joy, heartbreak.

About God's Love We Deliver (<https://www.glwd.org/>)

God's Love We Deliver is the New York metropolitan area's leading provider of life-sustaining meals and nutrition counseling for people living with severe illnesses. Begun as an HIV/AIDS service organization, today God's Love provides for people living with more than 200 individual diagnoses. God's Love cooks and home delivers the specific, nutritious meals a client's severe illness and treatment so urgently require. Meals are individually tailored for each client by one of our Registered Dietitians, and all clients have access to unlimited nutrition counseling. God's Love supports families by providing meals for the children and senior caregivers of its clients. All of the agency's services are provided free of charge, and in its history of more than 25 years, God's Love We Deliver has never had a waiting list. About VNUE, Inc. (www.vnue.com)

VNUE, Inc., (OTC: VNUE) is a music technology company dedicated to further monetizing the live music experience for artists, labels, writers, publishers, and literally all stakeholders, by creating new and exciting products such as its set.fm platform and exclusive license partner disclive.net; by leveraging automation technology and second-to-none experience in the instant live space; and by identifying issues

such as lack of transparency with performance rights organizations and solving this through innovation and our patent-pending solutions. The VNUE team is the most experienced in our space, a group of technology entrepreneurs, artists and songwriters who are passionate about the future of the industry, and ensuring that the value of the rights holders are not lost in the context of new and ever-changing technology. Our team has produced live content and created experiential products for such artists and companies as Peter Frampton, Bad Company, Devo, Blondie, Wind Up Records, EMI, Capitol Records, and many more. By (a) selling only live content through our platforms, to include not just major and independent label content, but creating and scaling our own “instant” live exclusive content, (b) processing and paying mechanical royalties on instant live content, and (c), ensuring proper accounting and payment to rights holders of material played in venues, VNUE has a perfect trifecta of solutions that will revolutionize the live music business.
